CAPE RACE, August 24, via Aspy Bay, 5th
—The steamship Germania, from Hamburg on the
23rd, and Southampton on the morning of the
26th, passed this point en route for New York.
The shore end of the Atlantic cable is land-
ed and successfully connected with instruments on
board the Great Eastern.

The Knight of Kerry invoked success on the
undertaking, and in conclusion called on Sir P.
Peel, who made an admirable address. Cheers
were given for the President of the United States.

When the laying out of the heavy shore end
of the cable was commenced the splice was com-
pleted in a most successful manner and the cable
worked perfectly.

The gunboats Terrible and Spheer accom-
pany the Great Eastern, dated 24th July.

Insulation defects took place on Monday.
The mischief is supposed to extend three miles west
of the shore end of the splice, and is believed to
be caused by too much strain from the Great Eastern.

She here to ten miles from the shore
The Caroline is picking up and under running
the splice and repairing the fault.

It is expected that the damage will be rectified
immediately. The rest of the cable remains
perfect.

A telegram from the Great Eastern, July 25th,
says: The cable is all O. K. again. The
signals are perfect. A small fault was discovered,
and cut out. The Great Eastern is now paying
out cable in latitude 52, longitude 12.

FRANCE—The municipal elections which have
taken place are favorable to the Government
everywhere.

ITALY—The Government received an official
dispatch from the Spanish Cabinet, recognizing
the Kingdom of Italy, and expressing a most
friendly feeling toward it.

Spain—Spain and France have exchanged
a treaty of ratifications for reducing custom
tariffs.

TURKEY AND EGYPT—The cholera in Alex-
andria, Constantinople and Cairo is subsiding.

Evans of the Internal Revenue

Tax—Receipts of the Department.

NEW YORK, August 5.—The Times' Wash-
ington special says: The Commissioner of In-
ternal Revenue received from the Treasury a number
of specimens of devices, mechanical and otherwise,
to evade the payment of taxes and stamp duties.
One received to-day is a double ended match,
nearly twice as long as the ordinary match, with
each end dipped in the phosphorus mixture. The
consumer breaks each of the double ends in the
middle, and has two matches for one. The
tax is one cent for all packages of not more than
the double end of the match. The dealer pays
about one-half the Government tax. The device
is a match with a double end, and is a match
with a double end, and is a match with a double
end, and is a match with a double end, and is a
match with a double end, and is a match with a
double end, and is a match with a double end,
